MISSION STATEMENT

Enspire Arts believes in the power of
creativity to empower youth and build
stronger communities. We are
dedicated to creating vibrant and
interactive arts experiences that
positively impact communities and
engage future generations of artists.

HISTORY

Enspire Arts was founded in May 2017 with a board of five
members. All board members share a common belief that the
arts are fundamental to the human experience and especially
important to the social and well being of youth. We are an all
volunteer board, with each board member committed to
sharing of their time and talents to bring enriching arts
experiences to the communities of Clark County.
