Fifth Anniversary Celebration

We held our first benefit concert on February 4th, 2023 as a celebration of the 5th anniversary of the Arts Ambassador Scholarship Program. Attendance: 200+

This event was a true collaboration with headlining professional artists teaming up with our current and several past Arts Ambassadors. What a treat to have Ambassadors from over the past five years return to celebrate with us. The night was a fabulous opportunity to highlight not only the success and growth of Enspire Arts but all that Enspire Arts has accomplished since it began in 2017.

2022-2023 ARTS AMBASSADORS

ARTS AMBASSADORS IN ACTION

Bianca Flores

Taking Your Own Stage After-School Program
Grades 6-8 Skyridge Middle School
Outreach: 8 students

From Bianca:

"I learned the power of passions, and how those who are dedicated to similar things can connect much better because of the shared passion. I loved feeling like my favorite thing ever was able to be spread to other people and I enjoyed watching the students take steps I didn't when I was younger. Seeing them love music production as much as I do only confirmed music is where I belong."

Jacob Crabtree

Music with Meaning: Classical Piano Performance
Four Assisted Living Performances
Outreach: 75+

From Jacob:

"Through my experience as an Enspire Arts Ambassador, I've been through several experiences that I will use in the future. These skills include writing formal emails, networking with businesses & their activity directors, public speaking, and piano performance."

Keilene Brown

Teaching Emotion Through Music
Pre-School Classroom Visits
Outreach: 40+

From Keilene:

"Going into this program, I didn't know what to expect. I was praying for a fun and supportive environment, and I was very happy to find that it really is! I learned how to overcome obstacles and what to do when something doesn't go the way you want it to. This really is an amazing program for growth! We all grow and learn together, and at the end we can reflect on an amazing opportunity to reach our community. I'm so thankful for this program and the many new things I've learned!"
